POLICIES	
WHAT YOU AND YOUR FAMILY NEED TO KNOW	
1.	FACTS will assess an additional \$30.00 late fee each time that funds are not available for payment.
2.	Delinquent accounts will result in the following: <ol style="list-style-type: none"> Students will not be permitted to start school in the fall unless their account is up to date. Students will not be permitted to attend school if after the second attempt by FACTS the funds are still unavailable. If a student has been removed from class as a result of delinquent tuition, the account must be paid up to date with a \$50 re-admission fee in order for the student to be re-enrolled. Any senior whose account is not current by May 1st will not receive credit for final exams taken. Any senior whose account is not paid in full prior to graduation day may not be permitted to participate in graduation exercises. Report cards and transcripts will be withheld if the family leaves the school during the school year still owing tuition or any other fee. All checks must have cleared the school's account before grades, transcripts or diplomas are released. If an account is not paid in full by the 1st of June, TCA will place the family on the waiting list or non-re-registration list regardless of status. A \$25 late re-registration fee will be charged after June 1, 2020 to present school families.
3.	When a family registers after July 8th they can either: A. bring tuition account up to date by paying for previous month(s) tuition in a one time payment or, B. have the monthly payments pro-rated over the course of the remaining year.
4.	If a registered student withdraws from the school for any reason prior to opening day, they will be assessed \$100. If a registered student withdraws from school for any reason during the school year, the tuition will be refunded on the basis of 1/180th of the annual rate for each day of enrollment less \$50.00 administrative fee.
5.	The school's Board considers all unpaid tuition accounts to still be due to The Christian Academy. Careful records are kept and any parent may determine the status of their account by contacting the Business Office.
6.	We expect that our families will set Christian Education as a financial priority, putting tuition expenses before any luxury-type spending. We also expect that all parental income will be utilized in assessing scholarship needs, including the income of both parents in multi-family situations.

NOTICE OF NONDISCRIMINATION POLICY AS TO STUDENTS
